Details: The Friends of **Michigan Construction News** program is in response to numerous requests from readers who want to support the web site and its e-mail summary but are not interested at this time in advertising. Because access to the web site and e-mail summary will always be provided at no charge, such voluntary generosity is greatly appreciated.

This is not a donation. Those paying \$50 or more will be listed by name and company on the "Friends of Michigan Construction News" web page, which is linked by a special graphic to the home page. So, technically speaking, you're buying an inexpensive and unobtrusive form of advertising, promoting your company or organization. Your listing will be kept on the web page for up to 12 months, at which time it will be renewed if another payment is made. If, however, this web site is forced to close for any reason before your 12 months are over, no refund (in whole or in part) will be made.

You may request being taken off the list at any time. Around the start of your 12th month you'll be e-mailed a renewal inquiry.

Questions? Call Guy Snyder at 734/432-2302, or e-mail him at guysny@concentric.net.

Thanks again for showing your support for MCN's goals and mission.
